#### **POSTAL SERVICES**

Nankya a pupil of Kibimba Primary School went to the post office one day. She wanted to post her letter but she did not know what to do. So, she went to the post master to ask him for some help. She said, "I have come here to ask you to show me how to send a letter by post. And if you are not too busy, I hope that you will tell me about the postal system.

Certainly, he said, "First, I will show you how to write the address on the envelope." Nankya wrote the address Nababi gave her. Then the post master took her to the counter to buy the stamps. This scale is for weighing letters and small parcels. The cost of sending something depends on the weight. It costs sh.500 per 100 grammes to send a letter to Gambia where your uncle lives.

The clerk at the counter weighed her letter. "That is sh.1000 each," he said to Nankya. Nankya gave him the money. He gave her the postage stamp and an airmail sticker for her envelope. Nankya stuck the stamp on the left as the post man told her.
