## **SECTION B**

51. **Read the passage below carefully and, in full sentences, answer the questions that follow.**

Every term, Kabojja Junior School holds an academic visiting day. Last year, the academic visiting day for second term was held on Saturday, 16<sup>th</sup> July 2023. All parents had been given text messages the previous week.

On this day, parents expected to see their children's class work and their results of Beginning of term and Midterm examinations.

So, on that day, the father of Miiró, a primary four girl, arrived early. He went straight to his daughter's class teacher. He waited patiently in a queue for his fellow parents until it was his turn to talk to Mrs. Zahura. Mr. Kefa then introduced himself. Mrs. Zahura opened the progress file, but Miiró's name did not have any marks for the two sets of examination. She had missed them. There was the word "Absent" in all columns for all the subjects.

Miiró was then asked why she did not have the marks. She had no answer! Mr. Kefa could not remember any day when his daughter did not go to school. He was very annoyed with her. After a long silence, she **broke into tears** and begged for forgiveness. She told her father and the teacher that she had not revised for the exams, that is why she decided not reach school on the exam days. At times, she could hide in the toilets.

All the parents and pupils were sad to hear that. They blamed her for wasting her father's money. As a way of punishing her, Mr. Kefa decided to deny her the money for the class tour to Western Uganda.
