**SECTION B: 50 MARKS**

**51. Read the passage below and in full sentences answer the questions that follow.**

My name is Kawuma Tadeo. I am in primary six. Every Friday, we have a double lesson of art and crafts. During this lesson, we learn to use our hands, the brain and local materials to make crafts.

Last Friday, our teacher Mrs. Bakita took us to copper complex to meet Mr. Omona, the tailor. She wanted us to see how clothes are sewn. When we arrived at the place, Mr. Omona welcomed us and talked to us about his job. He said, "I am very happy with my job because I have been able to get many good things. I have built myself a very nice house besides this shop where I work from.

He taught us the things one should know to be a good tailor. He said, "This job requires you to know mathematics, art and design". He said that you need to be friendly and honest with your customers. He then told us the things one must be with which included a sewing machine, scissors, threads and bobbins. He added on the tape measure which he said is used for taking the measurements. The pair of scissors to cut the cloth. He explained and said that the thread should be of different colour to make the cloths you are sewing.

We met nice dresses and bitenji cloths hung outside his shop. Most of us admired his job and promised to go back in the holidays to learn tailoring.
