				SUBJECT	LANGUAGE							
	3	Location of countries that formed the EAC. The East African Community		Learners at the end of lesson should be able to:- Define a latitude and longitude Define northern and southern hemisphere Name the five major circles of latitude Locate the five major circles of latitude on a globe	The learner spells, pronounces and writes the key words correctly i.e. - Arctic circle - Tropic of cancer - Equator - Tropic of Capricorn - Antarctic circle - Hemisphere - Planet - Imaginary	Latitude Northern hemisphere Southern hemisphere This is the angular distance of a place north or south of the Equator They are sometimes called parallels - Northern hemisphere - Southern hemisphere - The five major circles of latitude:- A diagram of a globe showing the five major circles of latitude	Whole class discussion Train stormiest Question and answer	Describing the position of EA using Latitudes and Longitudes.	Appreciation Giving accurate information Clear pronunciation	Chalk Board illustration Chalk Board illustration	Chalk Board illustration Fountain SST for Uganda Bk6 MK stand and SST Bk6 Functional SST Bk6	
	4 4 5			Give the meaning of the term longitude Name the longitude marked (a) 0° (b) 180° Calculate time of a given longitude West/East of the Greenhill	- Longitude - Rotation - Revolution - Hemisphere	Longitude - Importance of longitude - Diagram of a globe showing longitude - Rotation - Time zones - Calculating time of a given place from the Greenhill	Whole discussion Brain storming	Drawing the accurate map of EA showing sister countries	Clear spelling and pronunciation of terms	Chalk board illustration	Fountain SST for Uganda Bk6 Mk Stand and SST Bk6 Functional SST Bk6	
3	1	The East African Community	Location of East Africa	At the end of the lesson, learners should be able to:- Locate East Africa using latitudes and longitudes Locate East Africa on the map of Africa Name the landlocked countries in and neighboring East Africa State how Uganda and other neighboring	The learner pronounces and writes correctly the different East African Community countries.	Location of East Africa using latitudes and longitudes A map showing East Africa on the map of Africa A landlocked country Uganda and other countries neighboring East Africa which are also landlocked. Problems faced by landlocked countries Other countries in	Whole class discussion Brain storming	Using a map of East Africa to name countries that formed the EAC.	Giving accurate information Clear pronunciation of terms Sharing with others Solidarity.	A chart showing member countries of EAC Chalk board illustration	SST Atlas Fountain SST Bk6 MK stand and SST Bk6 Functional SST Bk6	

				landlocked countries benefit from Port Mombasa and Dar-es-salaam		Africa that use Port Mombasa & Dar-es-salaam Capital cities of East African and neighboring countries						
	3		Location of East Africa	Learners at the end of the lesson should be able to:- List the capital cities of East African countries and their neighbours	The learner spells, pronounces the capital cities of East African countries and their neighbours	Capital cities of East African countries & neighbours A map showing East Africa and neighbouring countries Countries that share border with East African countries	Class discussion	Listing countries of East Africa, borders and capital cities.	Giving accurate information Sharing with others Working together	Chalk board illustration A map showing countries which make up EAC and bordering countries	MK standard SST Bk6 Fountain SST Bk6 Functional SST Bk6	
	4		Member countries of EAC	Learners at the end of the lesson should be able to:- Name the body that united the EAC countries between 1967-1977 Name the personalities behind the formation of the former EAC List the secretary generals of the former EAC	Learner pronounces and spells the personalities who led to the formation of EAC	The East African Community Founder members of the defunct EAC Secretary generals of the defunct	Class discussion Story telling Brain storming	Draw and colour the member countries of the EAC	Appreciation working together Using appropriate language	Chalk board illustration	MK stand and SST Bk6 Fountain SST Bk6	
	5		Institutions run by the EAC	Give examples of institution/departments that formed the EAC and the services each provided	The learner pronounces spells and reads the key works correctly e.g. - Veterinary - Forestry-harbours - Civil Aviation - Librarianship - Commerce and trade Court of Appeal	Departments/Institution of the EAC e.g. 1. East African Examination council 2. East African Railways & harbours 3. East African school of civil Aviation 4. East African legislative Assembly 5. East African Air ways 6. East African income tax department etc.	Class discussion Story telling	Discussing the department that formed EAC and the role played by each.	Unity Working together Sharing with others Giving accurate information	Chalk board illustration	Functional SST Bk6 Comprehensive SST for P6.
