(i)		
(ii)(c) Why do objects weigh less while in water? 44(a) State any two components of blood. (i)(ii)(b) Give two uses of blood in the human body. (i)(i)		Give any two examples of objects that can sink in water.
44(a) State any two components of blood. (i) (ii) (b) Give two uses of blood in the human body. (i)		
(i)(ii)(b) Give two uses of blood in the human body. (i)	(c)	Why do objects weigh less while in water?
(i)(ii)(b) Give two uses of blood in the human body. (i)	44(a	a) State any two components of blood.
(i)	(i)	
	(ii) (b) Give two uses of blood in the human body.
(ii)		
	(ii)

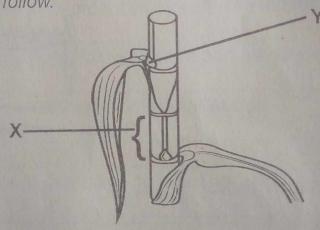

avamples of domestic animals.
45(a) State any two examples of domestic animals.
(i)
(ii) (b) Name any two products obtained from domestic animals.
(b) Name any two products obtained from 5
(i)
(ii) 46. The diagram below shows part of the digestive system. Study and use it to answer the questions that follow.
46. The diagram below shows part of the digestive system
it to answer the questions that follow.
A
\bigcirc
E KOLSTE
(a) Name the parts labelled with letters A and B.
(i)
(ii)
(b) Give the digestive juice produced by part labelled with letter C.
(c) Which digestive process takes place in part marked with letter D?
7(a) Mention any two examples of intestinal worms.
(i)
(ii)
(b) State any two ways of controlling intestinal worms among children.
(i)
(ii)
48(a) Write HIV in full.
(b) Write any two ways people can control the spread of HIV in the
community.
(i)
(ii)
(c) State any one way of caring for HIV/AIDS patients.
De padells.

	stages of trees in the school compound.
(b) State any two advar	ntages of trees in the school compound.
(i)	les of vaccines that are administered to babies
(i)	0.8
(ii)(b) How does immunisa	ition boost the body immunity?
(c) Which immunisable	disease affects the liver?
54(a) State any two method	ods of storing sound.
(i)	
	vices used to reproduce stored sound.
(I)	
(11)	

55. The diagram below is of part of a plant. Study and use it to answer the questions that follow.

1	(a)	Identify	the	parts	labelled	with	letters	X	and	Y.	
	133										

(I) X

(ii) Y_

(b) How is part labelled with letter Y important to a plant?

(c) Name the leaf venation in the leaves on the part drawn above.
